

Petersfield u3a

Member Code of Conduct

Petersfield u3a – run by its members, for its members

Welcome to Petersfield u3a!

We are a registered charitable trust affiliated to the national u3a movement through the Third Age Trust. Our u3a brings together people who, later in life, are no longer in full-time employment, and wish to develop their interests and continue learning in a social environment.

Our u3a acts as a peer-to-peer learning network through which members are enabled to develop their own and each other's learning in a collaborative and inclusive community. In so doing, it offers opportunities for friendship, support and well-being.

Petersfield u3a is only able to exist because our members contribute their time, energy and ideas, and play their part by volunteering as opportunities arise. It is governed on behalf of its members by its trustees, themselves volunteers, who act as a management committee.

For the benefit of all, we expect you to:

- volunteer your time, ideas or skills when opportunities arise
- treat fellow members with courtesy, consideration and kindness
- support and encourage one another as you take part in learning activities together
- contribute to a welcoming and encouraging community
- respect different opinions and perspectives
- follow the established arrangements of the learning groups you participate in
- support the efforts of group leaders/convenors and other organisers
- use the resources of Petersfield u3a responsibly
- always act in the best interests of Petersfield u3a and the national u3a movement

Thank you!
